Mountain View, CA 94040

REFRESHMENTS

4:00pm-4:30pm

Conference Room C

- In November 2009, El Camino Hospital opened the new, state-of-the-art hospital building which provides new approaches to patient comfort, safety, and convenience. Constructed over a four-year period, the new building was completed on time and on budget, and it was one of the first new hospitals in California to meet stringent requirements for seismic safety. Come see why *Popular Science* magazine says, "The new El Camino Hospital in Silicon Valley is the most technologically advanced in the world."
- **FREE** valet parking is available outside in front of the new main hospital. The circular entrance to the main lobby is located off North Dr., across the street from the YMCA. Please wear comfortable shoes for the tour.
- A free *HealthPerks* lifetime membership from the El Camino Women's Hospital will be available to all attendees-we will waive the \$25 fee. *HealthPerks* offers information on lectures and events related to women's health, free health screenings and consultations, health tips, a monthly newsletter, discounts on healthy purchases in the community, membership to the Health Library & Resource Center, special gifts and more!
